- ❖ I believe in the Principle that the good education is needed to the younger generation to make them meaningful citizens and greater heights..
- ❖ The role of a lecturer is very important in this educational field to empower students with knowledge, skills and values to make them able, responsible and confident.
- ❖ As a good lecturer, need based and value based education should be imparted to the student community.
- ❖ So, I am mindful of this responsibility as a lecturer. and working with this motto up to now.
