ROAD SAFETY AWARENESS RALLY

CIRCULAR: All the teaching staff and the students are hereby informed that there is a rally on giving awareness about road safety today at 11 am. All the students and the staff must participate in the rally to bring awareness on road safety.

OBJECTIVES: 1. To bring awareness on the public on how to be on the roads.

REPORT: The students and the staff went on a rally from B T Government Degree College giving slogans on being safe during the rides and drives on the road. The public are attracted towards the drums and the slogans that the students are giving.

OUT COME: 1. The students learnt how to drive safely on the roads.

2. The students brought awareness on safe driving among the public.

05.02.2025

OPEN DAY CELEBRATIONS

CIRCULAR: All the teaching staff and the students are hereby informed that the Open Day for the Intermediate Second Year students will be conducted in the campus on 05.02.2025. The teachers have to visit the junior college and accompany the students there. The incharges of the departments have to show and explain the amenities available in the college and have to motivate them to join the college.

OBJECTIVES: 1. To bring awareness on the groups, amenities and quality based learning available in the college.

REPORT: The students of the Government Junior College for Girls, Madanapalli are invited for an Open Day program being conducted in the college. The girls are brought to the college along with NCC cadets and the other lecturers on foot. Later they received awareness on Single Major Program and about the rules to be followed on if they join the college. All the heads of concerned departments took them around the college and showed them the class rooms, labs, waiting rooms, toilets, safe drinking water facility etc. They were given a biscuit packet to relieve their tiredness and a pen for the ensuing exams.

OUT COME: 1. The students learnt on the amenities of the college.

2. The students motivated to join the college for their future development.

17.02.2025

SAVE EARTH - NO WAR

CIRCULAR: All the teaching staff and the students are hereby informed that the local governance is organizing a rally on "Save Earth - No War" campaigning. For this all the students and the staff have to assemble at ZP High School, near bus stand, and have to participate in the rally followed on.

OBJECTIVES: 1. To bring awareness on the importance of the earth and no pollutions to be entertained.

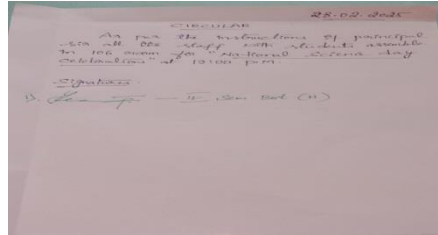

REPORT: The Honourable MLA of Madanpalli has conducted an awareness program on Save Earth - No War in collaboration with many departments and educational institutions. He imparted a valuable message on the methods of saving the earth. The students of the college and the staff attended the meeting and participated in the rally followed on later.

- OUT COME:** 1. The students learnt importance of the earth.
2. The students are motivated to participate in team activities.

28.02.2025

NATIONAL SCIENC DAY CELEBRATIONS

CIRCULAR: All the teaching staff and the students are hereby informed that the National Science Day is going to be conducted by the Departments of Sciences and the activities are going to be followed on. Hence, all the staff and the students have to attend the function.

OBJECTIVES: 1. To bring awareness on the importance of Raman effect and the later researches on the effect.

REPORT: The Department of Botany and the department of Chemistry conducted quiz, essay writing and elocution competitions on the occasion of National Science Day. On the 28.02.2025 the students gathered in Room No 106 to recall the Raman Effect and the researches that have taken place later. The winners are honoured with gifts and a new trend of adopting a tree started in the premises on this day. The first prize winners are honoured with a sapling and they have to plant it in the campus and later they only have to nurture it until their stay in the campus. The speakers explained about the importance of research in the students' career.
