Department of physics

{National science Day Celebrations – online quiz}

The Department of Physics conducted national level on line quiz for national science day celebrations 2025.

National Science Day 2025 Quiz. Report

Program Name: Science Day Quiz.

Mode of Programme: Online

Date of Event: 28th and 29th Feb. 2025

No. of Student Participants: 211

Number of faculty participants: 10

Venue: online Google form – Department of Physics B. T. Govt., degree college

The objective of the event:

National Science Day is celebrated in India. on 28th February each year to mark the discovery of the Raman effect, Indian physicist Sir C.V. Raman. on 28 February 1928

Science day is celebrated:

- To display all the activities, efforts, and achievements in the field of science for human welfare.
- To discuss all the issues and implement new technologies for development in the field of science.
- To give an opportunity to the scientific-minded citizens in India.
- To encourage the people as well as popularize science and technology.

Benefit in terms of learning:

- ❖ National Science Day Quiz is celebrated to spread a message about the importance of science used in the daily life of the people.
 - ❖ To display all the activities, efforts, and achievements in the field of science for human welfare.
 - ❖ It is celebrated to discuss all the issues and implement new technologies for development in the field of science.
 - ❖ To give an opportunity to the scientific-minded citizens in India.
 - ❖ To encourage the people as well as popularize science and technology
- .
