

B. T. GOVT. DEGREE COLLEGE, MADANAPALLE -517325

DEPARTMENT OF BOTANY

{Science Day Celebrations on 28.02.2025}

Scope

- To promote scientific temper and curiosity among students and faculty.
- To showcase the achievements of Indian scientists.
- To provide a platform for students to showcase their scientific projects and experiments.
- To foster a spirit of scientific inquiry and innovation.

Objectives

- To create awareness about the importance of science and technology in our lives.
- To encourage students to pursue careers in science and research.
- To provide a platform for students to interact with scientists and researchers.
- To promote scientific literacy among the general public.

Procedure

- A committee was formed to plan and organize the Science Day celebrations.
- The committee members decided on the theme and activities for the event.
- The committee members invited scientists and researchers from local surroundings to give talks and demonstrations.
- The committee members also invited students to submit their projects for exhibition.
- The committee members arranged for the venue, logistics, and refreshments for the event.

1. Teachers and students giving speech regarding to the Science Day
