

B. T. Govt. Degree College, Madanapalle

DEPARTMENT OF BOTANY

Strengths & Achievements

Strengths:

- > Well-qualified and experienced faculty with research orientations.
- > Active involvement in various extra-curricular activities.
- > Strong collaboration between faculty and students.
- > Well-maintained botanical garden with diverse plant species.
- > Sufficient library resources for students' needs.
- > Offers undergraduate courses in botany under multiple combinations.

Weaknesses:

- > Lack of postgraduate programs in botany.
- > Limited communication skills among some students.
- > Need for more advanced equipment in the laboratory.

Achievements:

- > Consistent good pass percentage in undergraduate programs.
- > Organization of various departmental activities, seminars, and projects.
- > Active participation in inter-collegiate competitions and events.
- > Production of research publications and presentations by faculty and students.
- > Collaboration with other academic institutions and research organizations.
- > Contribution to community outreach programs through awareness campaigns and environmental initiatives.
