

B.T. Govt., Degree College:: Madanapalle

Department of physics

Department Strengths, Weaknesses, Opportunities and Challenges (SWOC):

Strength:

- Wide area of campus with good infrastructure
- Well qualified and experienced staff
- Friendly interaction of teachers with students
- Well equipped laboratories and facilities

Challenges

- ✓ Constraint in Characterization Facility for research
- ✓

SWOC ANALYSIS

Challenges:

- ✓ To attract students by projecting opportunities in physics
- ✓ To set up well equipped research laboratory

Opportunities:

- ❖ Ample scope for extending research projects
- ❖ Few students have also joined School Service and other services.
- ❖ Teaching and learning methods are improved with e learning recourses
